Lenovo Care support

With Lenovo, service and support is everywhere you need it: on the system, on the Web,

on the phone... and on the way.

On-the- system: Expertise at your fingertips

The Lenovo Care portal is a preloaded set of tools on Lenovo desktop computers which

can resolve most common system problems and help save time.

On the Web: Online support that's always there

Get Lenovo drivers, downloads, maintenance manuals and technical support documents

for your Lenovo personal computing products. Our Web-based eSupport is available

On-the- phone: International support

Of course you can call us. Lenovo works with IBM to provide the world's most

comprehensive service and support 1 . IBM customer contact center technicians help

provide quick diagnosis and repair support for warranty-related matters.

On-the- way: Bringing powerful support to any size business

Exceptional local service and support relationships with 3000+ Lenovo-authorised

service providers and a comprehensive, worldwide service network means we've got

support in a location near you.

Warranty:

We offer a one-year limited warranty with optional plans to up to three years.

Teaming with IBM

Award-winning service and support makes Lenovo PCs an even greater value.

Lenovo systems are designed for reliability and Lenovo Care support tools and

information can help keep you working worry-free. One particular worry you won't have

with a Lenovo computer is wondering if you can count on getting reputable service and

support should you need it. That's because you're not only getting the latest design and

features in your Lenovo PC, you're also getting award winning IBM service, too!
