Laptops have become an integral part of our lives. Each laptop manufacturer has different types of

laptops to offer, so that the nature of laptop parts differs. Since one laptop is quite different from the other,

even a simple thing like a laptop keyboard, is different for different company and models of laptops on the

market. The main problem that arises due to rough usage of laptop keyboards is of damaged keys.

Sometimes, the port that connects the keyboard to the laptop inside also gets damaged.
